#### **BUTTON MAKER**

More popular than you would think! Supplies can be purchased from [sixcentpress.com](http://sixcentpress.com) Button size options are: 1" or 2" in diameter.

## **WE CARE WE SHARE**

A program that allows community groups and local non-profits to borrow items from our catalogue to help make their events fun and successful!

Presented by:

**VOLUNTEER**  
*Strathcona*

*your community connector*

With support from:

**SUNCOR**

**Please note:**

A loan agreement form must be signed before borrowing any of our items. Agreement can be reviewed and signed upon item pick up.

Most items are to be picked up and dropped off at BGC Strathcona CanTEEN at 123, 2016 Sherwood Drive. The button maker and projector is housed at our office and can be picked up/dropped off there: 205, 48 Brentwood Blvd.

Certain items have a \$100 deposit, payable by cash, cheque, or credit/debit and are refunded at the time of drop off as long as there is no damage to the items and they are clean.

**A \$40 cleaning fee will be charged for items returned dirty.**

For reporting and evaluation purposes, we request that those who borrow equipment fill out a short survey upon returning their items and share any photos they may have taken during the event with us.

Items book quickly! Especially in the summer months so be sure to reserve your items ASAP!

If you have any questions about this program or would like to sponsor any items please give us a call at 780.464.4242.
